

An aerial photograph of a residential neighborhood. The houses are arranged in rows, with a mix of brick and lighter-colored buildings. There are green spaces and trees interspersed among the houses. A yellow line is drawn across the middle of the image, starting from the left edge and ending at a red T-shaped marker on the right. The text 'Ul. S. Rajka' is written vertically in a white box over the yellow line.

**Ul. S. Rajka**
