**Loris PERŠURIĆ**Gradonačelnik Grada Poreča
Mayor of Poreč**Dragi sudionici utrke, ljubitelji biciklizma i sporta, dobrodošli u Poreč!**

Drago mi je što Poreč Trophy i ove godine možemo ugostiti u Poreču. U vrijeme kada živimo u nekim novim uvjetima, kad nam je koronavirus svima izmijenio svakodnevicu, drago mi je da proljeće u Poreču može obilježiti ova tradicionalna biciklistička utrka. Poreč, a i Istra općenito već godina ma su omiljena destinacija ljubitelja ovog sporta na dva kotača, kako profesionalaca tako i rekreativaca. Sve to možemo zahvaliti odličnoj infrastrukturi, ugodnoj klimi i okolišu, ali i doživljaju koji biciklisti sa sobom nose iz Istre. Doživljaj destinacije je naš najbolji ambasador.

Poreč je grad bogate povijesti, kulture, baštine, grad mozaika, eno i gastro ponude, ali i nadaleko poznat kao grad sporta.

Tome u prilog govori i iznadprosječno velik broj rekreativaca, kako naših sugrađana, tako i naših turista koji odabiru Poreč, brojna dosadašnja domaćinstva svjetskim i europskim sportskim manifestacijama, ali i činjenici da brojni sportaši odabiru upravo naš grad za mjesto treninga prije važnih natjecanja.

Želim vam puno uspjeha u natjecanju, dobru zabavu, te da iz našeg grada ponese niz lijepih i ugodnih iskustava.

**Ivan ČRNJARIĆ**Direktor utrke
Race Director**Dragi biciklisti, ljubitelji biciklizma, dragi pokrovitelji, partneri i sponzori,**

u ovim čudnim vremenima kao organizatori serijala biciklističkih utrka s najdužom tradicijom u Republici Hrvatskoj, Istrian Spring Trophiesa, nismo htjeli posustati s organizacijom, već smo baš unatoč i usprkos pandemiji htjeli očuvati tradiciju i pružiti vam i ove godine uživanje u biciklističkim majstorijama ekipa iz 16 zemalja svijeta.

Odmah moram istaknuti kako će se ove godine utrke, nažalost morati održati bez gledatelja, no sigurni smo da će vjerni fanovi pratiti vijesti sa istarskih cesta.

Maksimalni broj od 29 ekipa sa šest natjecatelja na startu Trofeja Umag, Trofeja Poreč i Istarskog proljeća nas kao organizatore izuzetno veseli. Kada na utrci naše klase imate dvije ekipe koje će nastupiti na ovogodišnjem Giru d'Italia, ekipu koja je najbolje rangirana u godišnjem Europe Tour poretku u kategoriji Continental te brojne druge izuzetno kompetitivne i snažne ekipe, onda je objektivno jasno da smo na dobrom putu da u budućnosti serijal Istrian Spring Trophies podignemo na još veću razinu. Moramo istaknuti i jedinu postojeću hrvatsku ekipu, Meridiana Kamen Team kao tradicionalnog sudionika naših utrka.

Zahvaljujemo svim biciklističkim ekipama, svim dugogodišnjim partenrima, pokroviteljima i sponzorima što su nam i u ovim čudnim i teškim vremenima ukazali povjerenje i nastavili s nama suradnju.

A sada, uživajmo u Proljeću, uživajmo u serijalu Istrian Spring Trophies!

Dear cyclists, cycling enthusiasts, dear patrons, partners and sponsors,

in these strange times, as organizers of the series of cycling races with the longest tradition in the Republic of Croatia, Istrian Spring Trophies, we did not want to give up the organization, than despite the pandemic we wanted to preserve the tradition and give you enjoyment of cycling masterpieces of cycling teams from 16 countries of the world.

I must immediately point out that this year's races, unfortunately, will have to be held without spectators, but we are sure that loyal fans will follow the news from the Istrian roads.

The maximum number of 29 teams with six competitors at the start of Umag Trophy, Poreč Trophy and the Istrian Spring Trophy makes us extremely happy as organizers. When you have two teams in our class race that will compete in this year's Giro d'Italia, the team that is best ranked in the annual Europe Tour standings in the Continental category and many other extremely competitive and strong teams, then it is objectively clear that we are well on our way to in the future take the Istrian Spring Trophies series to an even higher level. We must also point out the only existing professional cycling croatian team, Meridiana Kamen Team as a traditional participant in our races and a team that has a long tradition.

We thank all the cycling teams, all the long-term partners, patrons and sponsors for trusting us in these strange and difficult times and continuing to work with us.

And now, let's enjoy Spring, let's enjoy the Istrian Spring Trophies series!

**Ivica GRŽINIĆ**Sportski direktor utrke
Race Sport Director**Dragi biciklisti,**

pred nama je 22. Trofej Poreč, utrka sa sada već dugom tradicijom.

Trofej Poreč druga je utrka u serijalu pod nazivom Istrian Spring Trophies, serijalu koji sadržava tri utrke. Naš dugogodišnji koncept dvije jednodnevne i jedne četve-rodnave utrke tijekom dvanaest dana, pokazao se je kao dobar mamac za biciklističke ekipe iz cijelog svijeta.

Uz dobro odabrano vremensko razdoblje utrka, početkom ožujka, biciklističkim je ekipama serijal Istrian Spring Trophies uvijek jedan od prvih izbora pri planiranju natjecateljske sezone.

Trofej Poreč održati će se na tradicionalnoj kružnoj trasi duljine 22 kilometra, do cilja će se odvoziti sedam krugova, pa možemo reći da je Trofej Poreč postao klasik.

Kao osnivač serijala Istrian Spring Trophies, a sada sportski direktor utrka, želim dobre noge svim natjecateljima i naravno, neka najbolji pobijedi!

Dear cyclists,

in front of us is the 22nd Poreč Trophy, a race with a long tradition.

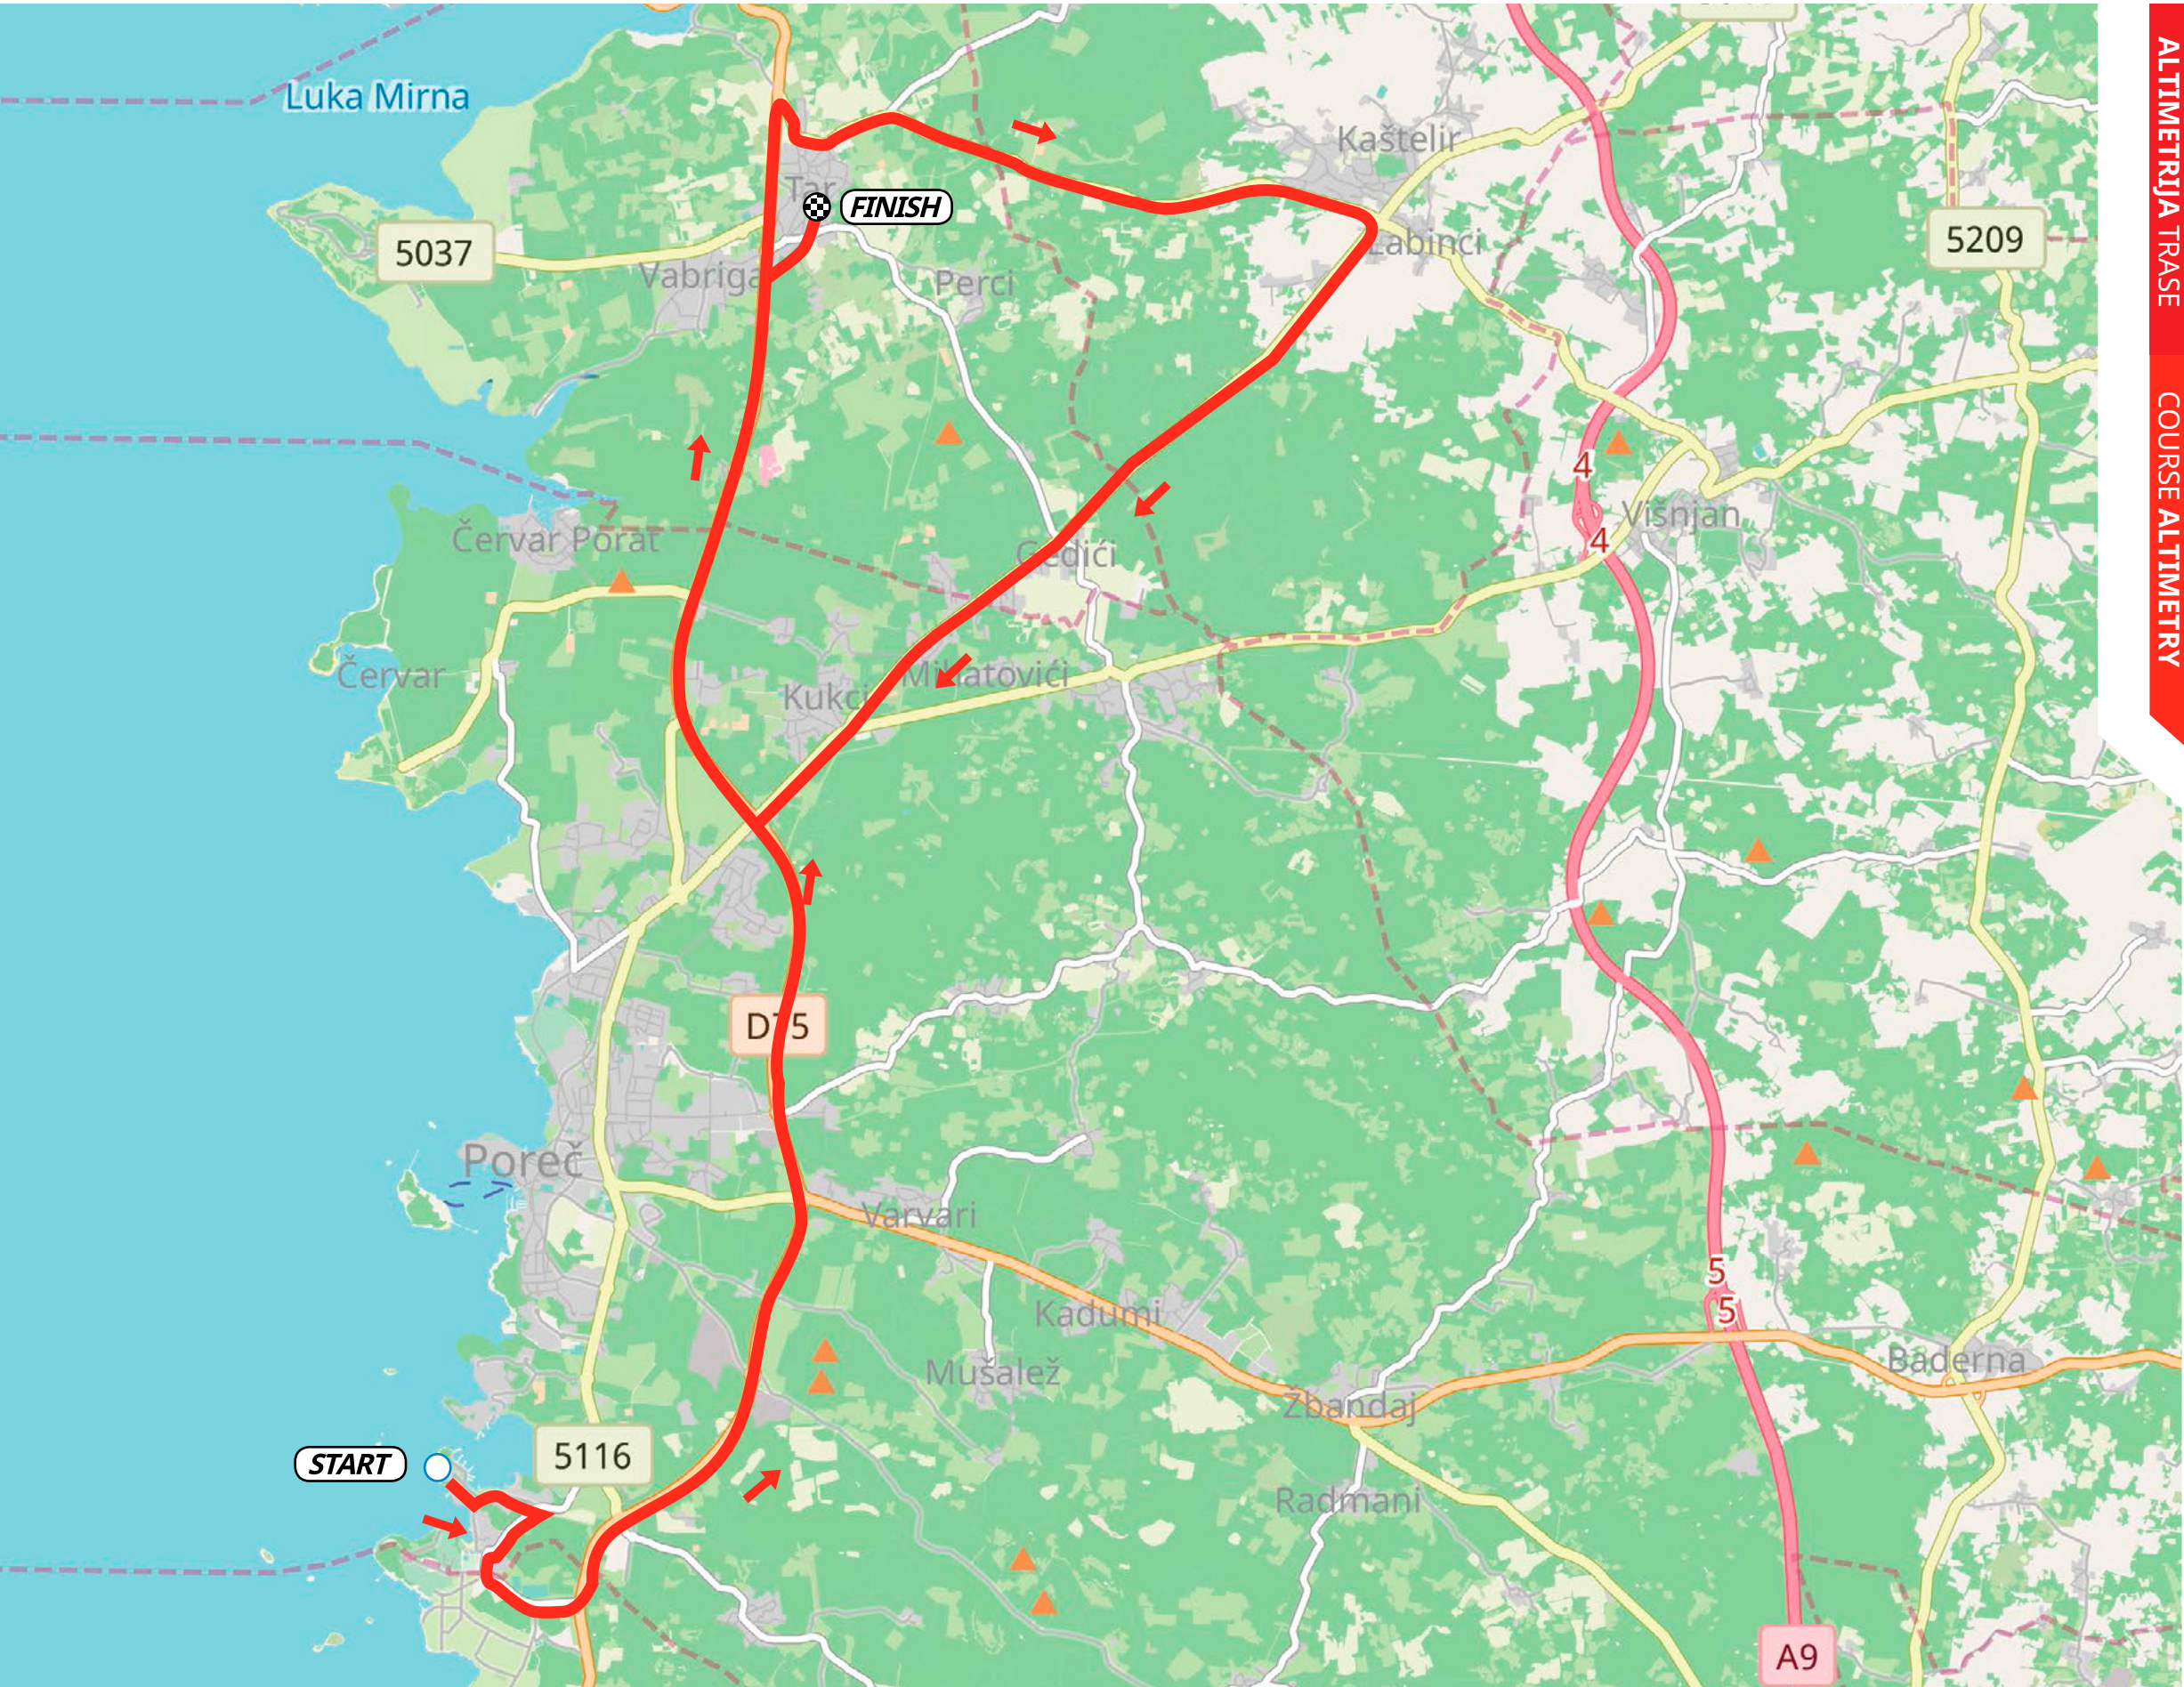

The Poreč Trophy is the second race in a series called the Istrian Spring Trophies, a series containing three races. Our long-standing concept of two one-day and one four-day races over twelve days, has proven to be a good lure for cycling teams from all over the world.

With a well-chosen race time period, in early March, the Istrian Spring Trophies series is always one of the first choices for cycling teams when planning a competition season.

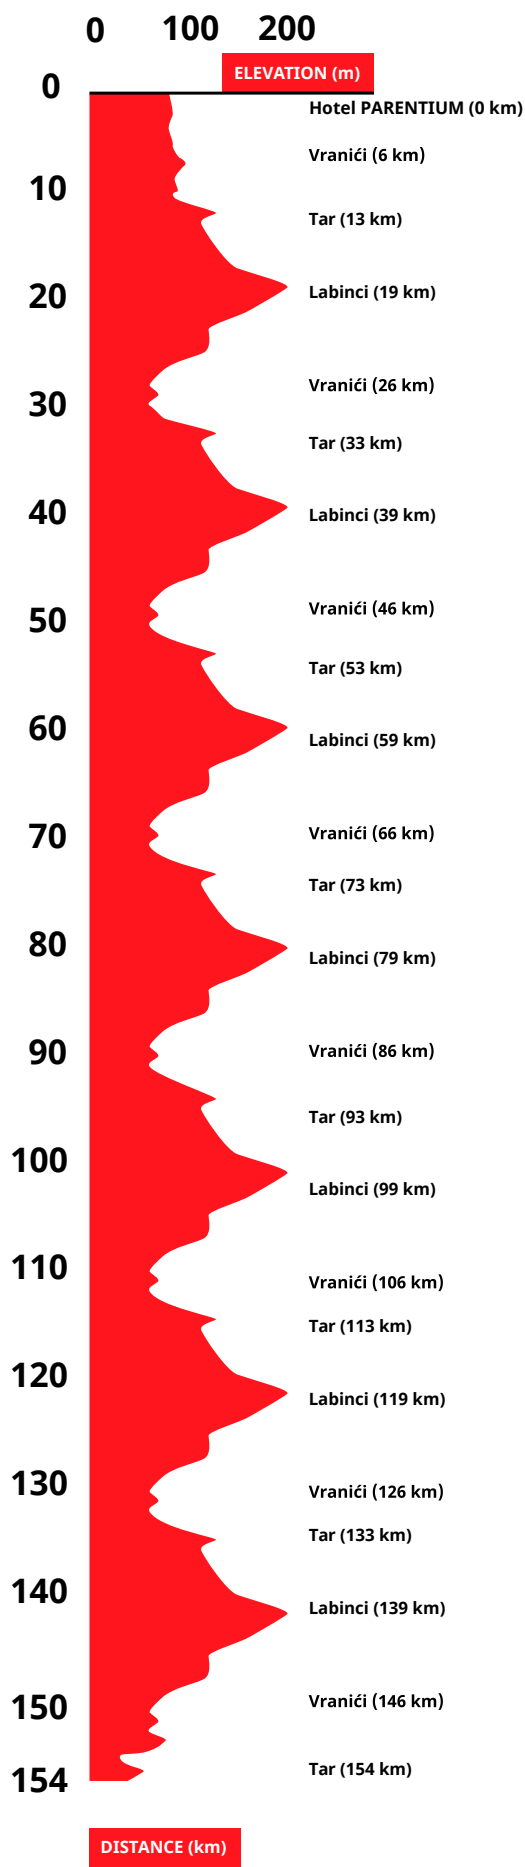

The Poreč Trophy will be held on a traditional 22-kilometer-long circular route, with seven laps to go to the finish line, so we can say that the Poreč Trophy became a kind of classic.

As the founder of the Istrian Spring Trophies series, and now the sports director of series, I wish good legs to all the competitors and of course, let the best ones win!
